

STUDENT LED TEACHING AWARDS 2017

Barry Gledson

Congratulations!

You have been nominated by students for a teaching award. Thank you for your contribution to Northumbria; it is hugely valued, and makes a real difference to our experience.

"As a course leader, Barry actively plans and executes the MSc construction project management course wonderfully. He lectures and supports other lecturers by showing up to their classes to offer extra support and help to students"

Alice Dalglish

Alice Dalglish, Vice-President Education
