Developing your clinical reasoning through creative reflect

Julie Lowe (Speaker) & Samantha Shann (Speaker)

4 Mar 2008

Tell me a story: Reflecting outside the box

Julie Lowe (Speaker) & Samantha Shann (Speaker)

20 Jun 2005

I have worked at the university since 2002 progressing from senior to principal lecturer in 2008, I am currently the professional lead for occupational therapy; teaching across the occupational therapy programmes. I have particular interest in student well being , curricula design and quality assurance .

I have external examiner experience . this is an aspect of my role that enjoy along with external panel member roles for programme development and approval . I also have links with the PRSBs and hold a visitor role with the Health and Care professions Council and an accreditior role with the Royal College of Occupational Therapists

Clinical Background : older people, complex physical disability, community rehabilitation , intermediate care and palliative care working across rehab and acute care in the NHS and in local authority settings
